The recipient of this fax may make a request to opt-out of receiving telemarketing fax transmissions from Aetna. There are numerous ways you may opt-out: The recipient may call toll-free 877-265-2711 and/or fax the opt-out request to 1-888-263-9488, at any time, 24 hours a day/7 days a week. The recipient may also send an opt-out request via email to [do\\_not\\_call@aetna.com](mailto:do_not_call@aetna.com). An opt out request is only valid if it (1) identifies the number to which the request relates, and (2) if the person/entity making the request does not, subsequent to the request, provide express invitation or permission to Aetna to send facsimile advertisements to such person/entity at that particular number. Aetna is required by law to honor an opt-out request within thirty days of receipt. An opt out request will not opt you out of purely informational, non-advertisements, such as prior authorization requests and notices.
